The First Annual ESCalate Student Conference

Monday 20th April 2009
Lakeside Centre, Aston University, Birmingham

Students as Researchers: novice to expert

All education students, undergraduate, postgraduate and doctoral, are invited to hear students and tutors present their approaches to research and to share in discussion with other student researchers. Professor James C Conroy, Dean of the Faculty of Education at the University of Glasgow will deliver the keynote speech.

£30 for the day includes lunch and refreshments
